An Invitation to School Administrators!

We invite you to participate in **Illinois State University's 3rd Annual**

Fall Educators' Job Fair

Wednesday, November 5, 2008

11:00 a.m. - 3:00 p.m.

Bone Student Center, Brown Ballroom

Districts interested in **early bird recruiting encounters** with December 2008 (for mid-year and leave-type openings) and May 2009 Redbird graduates (for anticipated August '09 vacancies) should get this date on their calendars! We are once again partnering on back-to-back dates with Eastern Illinois University's fall fair, held November 6, 9:00 a.m. to 1:00 p.m.

Illinois State typically has **more than 300 December graduates** across a wide variety of teacher education fields, including Special Education. Most of these fall student teachers will be in job-search mode by November. We also know that many May grads will want to make early contact with school talent scouts. It is very likely that some candidates (and alumni) from other universities will also be attending.

Registration fees:

- **\$100.00** for the first recruiter;
- **\$25.00** for each additional recruiter; a maximum of four, please.

Space is limited, so register as soon as possible – registration is now completed online, using our eRecruiting system. The online registration form can be accessed by clicking [HERE](#). The **registration deadline** is October 29, 2008. A standard eight-foot table will be provided, plus a complimentary brunch. Further event details will be sent to those who register.

We look forward to your participation in this special event. If you have any questions regarding registration for this fair, please contact the Career Center at 309-438-2200.

Sincerely,
