Dear Employer:

The Illinois State University Career Center invites your organization to **register** for the **2008 Fall Job and Internship Fair**. Don't miss this opportunity to connect with qualified student candidates who can meet your hiring needs for full-time and internship opportunities through a variety of career-related activities.

FALL JOB AND INTERNSHIP FAIR

- The **2008 Fall Job and Internship Fair at the Redbird Arena** will be held on **Wednesday, October 1, 2008** from 10:00 a.m. to 3:00 p.m. This date has been moved later in the semester to take advantage of cooler temperatures in the Redbird Arena. The Arena venue provides adequate space for all employers to be in the same area for equal access to the students. This fall job fair provides a quality opportunity to network with current students and alumni from Illinois State University and Illinois Wesleyan University who are pursuing full-time or internship opportunities. In addition, candidates from other schools throughout the state are invited to attend. Registration is easy and found here: [2008 Fall Job & Internship Fair Registration](#)

**** Please note registration ends on 9/19/08 or until capacity limits have been reached. ****

WANT MORE ON-CAMPUS VISIBILITY?

- Consider becoming an **Employer Sponsor** at the Fall Job and Internship Fair. Sponsorship is a great way to increase your visibility on campus with a prime table location at the event along with additional promotion of your organization on the Career Center Web site and in the handout provided to students and alumni when they attend the event. In addition, your organization's name will be prominently displayed on the arena's electronic billboard where all career event sponsors will be recognized throughout the duration of the event. To be a sponsor, select the sponsorship package when you register for the career event.

LATE NIGHT INTERVIEWS

- This opportunity is available to employers who are interested in conducting on-campus interviews with candidates recruited during the 2008 Fall Job and Internship Fair. On-campus **interviews will be held Wednesday, October 1, 2008** from 3:30 p.m. to 6:30 p.m. Contact Pat Heck at paheck@ilstu.edu or 309-438-5754 for more information.

eRECRUITING

- This interactive online job search software allows students and alumni to research and find employment leads whether the focus is on internships or full-time opportunities. This free, web-based recruiting system is available to employers to begin pre-fair screening of candidates. Visit www.eRecruitingnetwork.com to sign up.

Make the Illinois State University Career Center your complete "recruiting solution." Please let us know how we may assist you in meeting your recruiting goals. For questions regarding these events, contact our office by email at CareerCenter@ilstu.edu or at 309-438-2200. We also invite you to visit our Web site at: <http://www.CareerCenter.ilstu.edu> for details about all of our programs, services and events. We are looking forward to another successful year of working with you!

Sincerely,
