

Career Interest Web sites

185 Student Services Building
201 North University Street
Campus Box 2520
Normal, IL 61790-2520

The following Web sites were compiled by your Career Center at Illinois State University. These offer a wealth of information for your use. Please contact the Career Center at 438-2200 or e-mail us at CareerCenter@IllinoisState.edu with any questions you might have before or after you visit these sites. We are here to assist you with your career decisions!

WHAT CAN I DO WITH THIS MAJOR?

University of Tennessee Career Center

career.utk.edu/mike/students/majors/majorsindex.asp
This is a convenient web site that supplies you with information about majors in which you might be interested. Clicking on "Information" about the major will provide you with common areas of employment, types of employers, and helpful strategies to maximize your career opportunities. Clicking on "Links" will provide you with a list of Web sites and information about listed majors and related careers.

WHAT CAN I DO WITH A MAJOR IN...?

Model of Career Development

www.counseling.ilstu.edu
The "Model of Career Development" is hosted by Illinois State University on the Student Counseling Services Web page. First click on "career" then click on the "Model of Career Development" to find information about exploring careers, how to clarify your career goals, and steps to take when you are planning to commit to a career goal. Helpful links to career information, articles about career planning and other Illinois State offices are provided.

University of North Carolina Wilmington Career Center

www.uncwil.edu/stuaff/career/majors/index.htm
This Web site offers a brief synopsis about the major in which you might be interested, provides related career titles, a list of some of the skills you will want to attain along your career path, and a list of web sites with additional information about career opportunities.

Occupational Outlook Handbook

www.bls.gov/oco/
The Occupational Outlook Handbook is an excellent resource that you can use to find out information about careers as they exist in the "real world". Click on the A-Z Index and enter an occupation that interests you. You will be provided with information such as, the nature of the work, working conditions, job outlook, and earnings.

Job Web

www.jobweb.com/career_development/default.htm
A Web-based tool that includes online career fairs, assistance with resumes, articles about resumes, internships, and other career related information.

SKILLS ASSESSMENT WEB SITES

The Career Key
www.careerkey.org/english
This Web site is hosted by North Carolina State University and it provides self-assessment for interests and skills using the Holland theory. It has links to help you use your Holland code to identify occupations that match your interests.

Youth Cyberstation

www.pch.gc.ca/Cyberstation/html/szone_e.htm
Note: (There is an "underscore, _" between szone and e)
As college students you will find yourself utilizing many of the skill sets you've acquired up to this point as you begin, or even continue your college career. Visit this Web site to gain information about your skill sets which are the keys in developing your career path and preparing your resume.

Mapping Your Future

www.mapping-your-future.org/planning/
This is another excellent Web site. This site provides information on planning your career. The site gives a sample career plan, an assessment of your skills and interests, and provides a Ten-Step Guide to Planning Your Future!
